

# Special and Unique Missions

The Georgia Department of Corrections (GDC) houses approximately 50,000 offenders. To accommodate the varying needs of the GDC offenders, the agency has created special and unique facilities which support the overall mission of the agency to operate safe and secure facilities through the development of professional staff and effective offender management.

## MISSION

The Georgia Department of Corrections protects the public by operating safe and secure facilities through the development of professional staff and effective offender management.

**Timothy C. Ward**, Commissioner  
**Ahmed Holt**, Assistant Commissioner Facilities Division
